

Mike Jahnke's Animation Reel Break Down

- Smurfette (2009)
I animated the character and created set and props in Maya.
- Journey to the Center of the Earth (2007)
I animated the Trilobite, in 3DSMax
- Over the Edge (2008)
I animated both characters and created set in Maya.
- Tooth Fairy Thief! (2010)
I animated the Tooth Fairy and little boy and created set in Maya.
This is a small part of a Short Film.
- Pole Jump (2008)
I animated the character in Maya.
- Valentine Surprise (2009)
I animated the character and created set in Maya.
